

# Funding Announcements – 42nd Parliament (October 18, 2015 – November 19, 2019)

## Funding Announcements

Since my election as your Member of Parliament, it has been my great pleasure to announce federal funding for a wide range of projects that benefit the residents of Kamloops-Thompson-Cariboo. Because our government has refocused on supporting jobs and the economy while paying down the deficit there will likely be fewer funding announcements compared to the previous Parliament. However, I am always pleased to let my constituents know what funding continues to come in to our riding. With that in mind, below is a breakdown of funding by program, including the amount of funding and the recipient community.

### Agriculture and Agri-Food Canada

Announcement Date	Amount	Location	Program	Description
12-Feb-19	600,000	Kamloops-Thompson-Cariboo		BC Cattleman's Association to expand a forage management tool to include additional sampling areas and a climate modelling component.
